

# PAINT CELL

MICRO STAINER  
FOR SPECIAL STAINING

## AUTOMATE YOUR SPECIAL STAINING

PAINT CELL IS MADE TO AUTOMATE YOUR  
SPECIAL STAINING, TIME CONSUMING,  
HAND-MADE IN YOUR LABORATORY.

- + Tanks, their number and slides number are sized to minimize the operating costs.
- + ILSA made PAINT CELL as a minimalist and constraint-free automate: open to any stains, maintenance-free.
- + The touch-screen tablet allows you to create and easily launch your staining:
  1. Load slides and tanks
  2. Choose the staining
  3. Click on the « color » button. That's it !
- + Compact and lightweight: this automate is A4-sized
